RE: Hiring Services

Dear Bryan,

Please accept this letter of appreciation for you and your staff for the successful selection of our Manager of Ticket Sales.

Trying to recruit highly qualified candidates can be a very time consuming venture. Your services saved our organization countless work hours, by recruiting, screening and only providing us with the best possible candidates for the job. This tiered hiring process allowed us to hire a candidate with whom we couldn't be happier. Working with you not only provided us local candidates, but also highly qualified candidates from all over Canada. At a cost of only 5% of the first year's salary, your services are a great investment for any organization in the sport industry.

Your services were greatly appreciated and we look forward to working with Cosmos again in the future. If you are looking to hire, we highly recommend that you call Cosmos Sports.

Sincerely,
